Chapter 1 by Emma Marson

Ana (short for Anastasia) leaped out of her bed with another gash in her arm. Where she went last night is unknown but she believed she saw an old house on a hill with a dagger in the window. She had seen this before and had no idea what it meant but she had to find out. Hoping into her mothers car she spotted a small figure of a samurai ninja in the back. "Mum, what's that doing back there?" she said not having a care in the world. "your father gave it to me before he passed and said when your 13 you'll know what to do with it I never knew what he meant."

She started the engine and we were off to school.
